Celebrating our 1 Year Anniversary!

Milestones Ministry, LLC began August 1, 2014. We are thankful for a very full and blessed first year. We have been talking with many of you and hearing your stories and are excited about continually growing our resources to help and support you in your ministries.

Heirloom FaithChest

The Faith Chest is a container to hold cherished items representing an individual's faith journey. For infants, it may be resources used in the home to nurture the faith of the child. For an elder, it may contain books, pictures, and other artifacts of their faith journey to have as a legacy of faith for family and friends. For newlyweds, it can be the beginning of a faith journey together.

Our heirloom solid-oak faith chest is hand-crafted by Pennsylvania Mennonite craftsmen to last a lifetime. It measures a generous 11 inches

Information at Your Fingertips

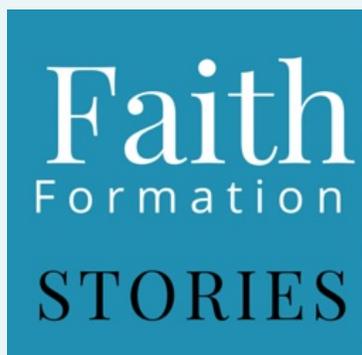

The Milestones Ministry Team, David and Gloria Anderson and Burt and Debbie Streicher, are happy to announce the one year anniversary for Milestones Ministry, LLC.

On August 1, 2014, David Anderson and Debbie Streicher realized the blessing they were given by being asked to continue and sustain Milestones Ministry after Vibrant Faith Ministries transitioned to simply Vibrant Faith and no longer carried resources in a store. The journey has been a full and busy one.

wide by 24 inches long by 11 inches high, which is large enough to hold numerous faith reminders, but still compact enough to move easily and serve as a home altar or used as a bench for a child.

Devotion and Prayer in the Home

A program staff member and her husband were part of a congregation that went through training to practice the faith in the congregation and home using the Four Keys in Taking Faith Home and Milestones Ministry. The couple was more than a little resistant to some of the suggestions in worship, including turning to your neighbor during worship and blessing them.

The staff member did acknowledge later that part of the discomfort was associated with the reality that in all their years of marriage the couple had never done devotions together.

When their spouses, Gloria and Burt, joined the team the dreams and looking to the future began.

It has been an incredible year.
