Anniversary of Baptism Milestone Moment

Introducing you to our newest Moment! There is an Anniversary of Baptism module included in the Child and Youth Manual and as a separate download, but this Milestone Moment is designed especially for the home.

It is good to remind parents and grandparents that the anniversary of a baptism is worthy of celebrating. Too often we think of baptism as an isolated event instead of a way of life with God through faith.

The Anniversary of Baptism Milestone Moment is an opportunity to gather family and friends, including godparents, and talk about the honored person's baptism. Bringing out pictures, using a bowl of water, and lighting the baptismal candle (or another candle) is a way to talk about special memories of the day.

Suggestion: This \$2.95 download is reproducible and designed specifically for the home. Make copies, place in a gallon size plastic bag along with a candle or shell as a gift and invite families to take a bag to use at home.
