First Cell Phone as a Gift?

Happy Thanksgiving!

In your household devotional times this week, reflect together on the ways God has blessed you. Make a list of things that you are thankful to God for. See how many different items you can list while sharing a meal on Thanksgiving. Say a prayer of thanks naming those things for which you are thankful.

We, at Milestones Ministry are thankful for you and wish you safe travels and a blessed Thanksgiving.

First Cell Phone Milestone Moment for the Home

Is a young person on your gift
list this year getting
a cell phone for the first time?

Is someone you know gifting a cell phone to a young person in their life for Christmas this year or for another special occasion?

Talking about how a phone will be used is an important conversation for parents to have with their children. This Milestone Moment for the Home provides the opportunity for families to address questions, establish guidelines, and connect this new way of communicating with the life of faith.

From getting that first job or becoming a parent to becoming a grandparent or caring for elderly parents, milestones in life are made all the more significant as these meaningful, memorable moments are made part of the journey of faith through Milestones Ministry.
