3 New Milestone Moments

Beginning School, Back to School, and First Cell Phone

We are pleased to introduce you to three new Milestone Moments. Each of these were developed from our own life experiences with family in the past few months. They were written with advice from our families as well.

David and Gloria Anderson realized going back to school presented an opportunity for caring conversations and a special prayer and blessing. With 6 granddaughters and 5 of them heading back to school this fall or just beginning school, they decided to write two. Even though the school year has begun, this is a good time to remind families of the importance of

Ordering a Turkey soon?

A good reminder to order Taking Faith Home for the 2015-16 Church Year too!

The screenshot shows the 'Taking Faith Home' resource page for November 29, 2015, the First Sunday of Advent. The page includes sections for 'Caring Conversations', 'Devotions', 'Service', and 'Rituals and Traditions'. Blue arrows point from these labels to the corresponding content on the page.

We are asking you to help spread the word about Taking Faith Home, a wonderful resource for faith formation and outreach. Our goal?

To grow the church by growing people in faith at home!

The new church year is fast approaching. Please remember to order your 2015-2016 edition of Taking Faith Home and contact your colleagues in ministry in other congregations to let them know about this resource. Help grow this vital ministry for homes and congregations by getting more congregations to use TFH. Remember, there are tools on our website to help congregations actively promote TFH and get it used regularly in homes and various congregational settings

caring conversations and connecting faith to the everyday experience of school.

Burt and Debbie Streicher have two grandsons and asked them for advice this summer about what is a meaningful time in their lives. Without the blink of an eye, Zach, 13 years old, said, "first cell phone". They are excited about doing this new Moment with him thanks to his insights and advice on the subject.

The cost? \$1.99 each....not bad for some quality faith time together at home!

We at Milestones Ministry are asking you, our partners in ministry, to help us reach others so that more individuals, homes, and congregations are excited to practice the Christian faith together and reach more lives with the love of God in Christ.
