### New User Guide

The [Taking Faith Home User Guide](#) is a new addition to Taking Faith Home for 2015-16 and also available on our website under the Toolbox tab.

Taking Faith Home is a resource for promoting Christian faith formation in the life of a congregation and can be used for home devotions, Bible study groups, and other small group settings, including congregational boards and committees. It significantly deepens daily and lifelong faith formation. This guide gives an in-depth look at each part of this resource.

We often receive emails and phone calls with questions about Taking Faith Home:

*Why use Taking Faith Home?*

*Where can it be used?*

*How can this piece of paper and its content get traction in people's lives?*

Series B Adult Milestones will soon be published including four new Milestones: Faith Community, Loss of a Loved One, Affirming Spiritual Gifts, and Becoming a Parent. [Click here to see the 12 Milestones that will be included in this series.](#)

Both the [Manual](#) and [Individual Milestones Modules](#) are available in the Milestones Ministry store.

## A Renewed Relationship

A note from Susan Peterson, Director of Children and Family Ministry at Zion Evangelical Lutheran Church in Chisago, MN:

*I'm excited to finally be in contact with the Milestones Ministry program. When I came on staff at Zion, in the spring of 2014, I did a google on Milestones Ministry and found NOTHING!!!! It was devastating! But am now happy to have your website on my favs and have 'liked' you on FB! I look forward to a renewed relationship with Milestones!*

As a result, we now have a PDF titled, "Why Use Taking Faith Home?", to answer these questions on our website under the Toolbox tab. This is a good resource for giving information to leadership in the congregation and parish.
