Easter Egg Blessing Milestone Moment

Decorating Easter eggs and hiding them for an Easter egg hunt has been a fun tradition for many a family gathering. Having an Easter egg hunt at one's home or at a community park can be a simple and effective way of celebrating the message of Christ's resurrection with family, friends, and neighbors. A congregation can also use the Easter egg hunt as an outreach tool for the surrounding community.

This Milestone Moment encourages caring conversations that connect our faith while participating in the tradition of coloring eggs for Easter and having an awareness of its history in the Christian church.

Coming Soon: Shepherd of Souls Book

Shepherd of Souls: Faith Formation through Trusted Relationships is [David W. Anderson's](#) newest book.

The shepherd of souls ministry represents the deeply meaningful, personal, and communal life of befriending brothers and sisters in the Christian faith. It serves the work of discipleship formed through personal, trusted relationships. The world needs, and the church needs, for that ministry to happen with increased intentionality and consistency. For it to bless the lives of Christians and non-Christians alike, it will break out of sanctuaries, board meetings, fellowship halls, and Christian education classrooms and enter into homes, neighborhoods, workplaces, and the larger world waiting to hear and experience the reconciling love of God in Christ.

Milestones Ministry offers many options for a place to start when beginning a Milestones Ministry. Often a congregation begins by purchasing the Child and Youth Milestones Manual or the Adult Milestones Manual or both to provide choices for a congregation. These manuals include 30 individual Modules. Many times it is good to begin with one and add more as the ministry grows. Modules can be purchased separately in this case. All Modules are reproducible.

What is the difference between a Module and a Moment?

A [Moment](#) is designed for use in small groups or the home. It is a two-sided sheet that includes an introductory explanation, the [Four Key Faith Practices](#), and a recommended follow up event. The cost for a Milestone Moment is \$2.95.

A Module includes a faith practice outline based on the Four Key Faith Practices for three separate settings: Cross-Generational, Home, and a Follow-Up. A Module also includes a special blessing for worship and an appendix with additional information.
