## New! Birthday Milestone Moment

Birthdays mark the anniversary of someone's birth. Each year brings a time to reflect on the past and look to the future with hopes for the year to come. Families and countries recognize particular birthday years as stepping stones in one's life.

A birthday provides a time to celebrate the life of someone who is special to you. Every year brings new hopes and dreams. Providing an opportunity to recognize God's presence in this moment is important.

It is important to recognize a birthday. Whether the person is becoming a teen or turning 90, it is a time to celebrate and name this special occasion.

SHEPHERD  
of SOULS

FAITH FORMATION THROUGH TRUSTED RELATIONSHIPS

The shepherd of souls ministry represents the deeply meaningful, personal, and communal life of befriending brothers and sisters in the Christian faith.

The world needs-and the church needs-for that ministry to happen with increased intentionality and consistency.

For it to bless the lives of Christians and non-Christians alike, it will break out of sanctuaries, fellowship halls, and classrooms and enter into homes, neighborhoods, and the larger world.

## Graduation, Confirmation, and Retirement Milestone Modules

It is that time of year for graduations, confirmation, and retirements.

How do you recognize these milestones in your congregation and home?

There are many options when beginning Milestones Ministry. Often a congregation begins by purchasing the Child and Youth Milestones Manual or the Adult Milestones Manual or both to provide choices for a congregation. These manuals include 30 individual Modules. Modules can also be purchased separately. In some settings it is good to begin with one module and add more as the ministry grows.

At this time of year, recognizing graduation, confirmation, and retirement with a Milestone is a good place to start!

All Modules are reproducible.

The cost for an individual Module is \$9.95.
