Milestones Ministry Coaching

As ministry planning and fall programs begin, how can you make the most of your congregation's efforts to nurture faith and reach out to others?

Why would you want help and support from Milestones Ministry coaches David Anderson or Debbie Streicher ?

- To help congregations help people speak their faith out loud and live the faith with confidence.
- David and Debbie serve as shepherds helping others shepherd souls day in and day out.

Milestones Ministry brings an awareness of the presence of God to individuals of all generations by recognizing the home as church, too. Both Milestone Moments and Modules bring family and friends together to mark a special time in their lives and to acknowledge and affirm God's presence in their midst. They provide a model for connecting significant occasions in people's lives with the ongoing journey of faith.

Beginning the school year or attending school for the first time is an important moment to connect children and youth with family and friends in a supportive environment that brings together personal stories, hopes, fears, and the life of faith.

The Milestone Module, Blessing of the Backpacks also includes those in the work world as fall schedules begin a

- Our coaching is based on biblical, church, and modern research on what makes a difference to pass on the Christian faith.
- David and Debbie have a combined track record of working with congregations for over 50 years. They have worked ecumenically with churches across the USA and internationally in Canada, Australia, Norway, Sweden, and South Africa.
- Both bring years of field-tested conversations, ideas, strategies, challenges, and the resources to work with you in your setting.
- Milestones Ministry wants to help you make a difference. Coaching is priced very reasonably.

New! Congregational Anniversary Milestone Moment

The anniversary of when a congregation was established is worthy of recognition. It is a time to celebrate the years of God's faithfulness to this faith community and reminisce about the past as well as envision where God

change in lifestyle. It can be used in the congregation with a blessing during worship, a take-home devotion, and a follow-up after the fall schedule has begun.
