New! Report Card Milestone Moment

Taking Faith Home Card Deck C

Keep these words that I am commanding you today in your heart. Recite them to your children and talk about them when you are at home and when you are away, when you lie down and when you rise.
Deuteronomy 6:6-7

Report Card Milestone Moment

New! Report Card Milestone Moment

Give instruction to the wise, and they become wiser still.
Proverbs 9:9a

Report cards are issued several times a year to give an accurate record of a student's performance. Often times, teachers add comments to provide information about the student.

Looking at a report card can be exhilarating as well as anxiety provoking, both for the student and for those who care for the student. Discussing a report card and wondering together what can be learned from this form of periodic evaluation is best done in an environment of care and support. The Report Card Milestone

The shepherd of souls ministry as defined by the Rev. Dr. David W. Anderson is based on thirty years of developing the Milestones Ministry Frame. It is a framework of principles, practices, and characteristics necessary for Christian faith formation. Shepherding souls is based on the Five Principles: 1) Faith formed and nurtured through trusted relationships; 2) Helping shepherds through a partnership of home and congregation; 3) Serving others through the ministry of the home; 4) Understanding and developing faith formation through experiences and relationships, not just by understanding concepts; and 5) Affirming that shepherding souls is a cross+generational ministry where adults support children and youth and where children and youth support adults of all ages.

The Shepherd of Souls book is now available in both paperback and as a download.
