---

During 2020 we have been observing restrictions. We wear masks, social distance, and wash our hands often. Most of us no longer leave our homes to go to work, to go to school, and to go to church. Thanks to the pandemic, we are now setting up special areas in our homes where we work and have school lessons.

How many of us have set up a special area, designated a space, or even set aside time in our homes during these times for sharing highs and lows, reading scripture, and prayer?

Deuteronomy 6:6-9 tells us:

*Keep these words that I am commanding you today in your heart. Recite them to your children and talk about them when you are at home and when you are away, when you lie down and when you rise. Bind them as a sign on your hand, fix them as an emblem on your forehead, and write them on the doorposts of your house and on your gates.*

In what ways have we encouraged or challenged one another to actually talk about and reflect on God's word when we are at home or when we are away from home?

Given our new normal, it is a good time to help all ages engage in faith practices in our homes.

- What affect would it have on our relationships to engage in three simple faith practices a day?
- What affect would it have on the future of our congregations if we were intentional about our conversations, Bible reading, and prayer?
- How can just four weeks during Advent challenge us to gain an understanding of the essential role the home has—and always has had—in the life of the church?

# The 2020 Advent Challenge: Three Easy Steps

***Taking Faith Home* is an effective resource to help all ages take the challenge!**

Whether your congregation is new to *Taking Faith Home* or has used it for years, Advent is a good time to take a look at this resource more closely and use it.

Launch the challenge on November 29th, the first Sunday of Advent. Consider making Advent wreaths and provide candles. Use the wreath as a centerpiece to gather around in homes during Advent.

Awake, Awake, and Greet the Morn

taking faith home

**WEEKLY MILESTONES**  
Take a moment to tell or think about a recent mountain high and/or valley low in your life.

**CARING CONVERSATIONS**  
Discuss in your home, small group, or use for personal reflections:  
• When have you had a challenging or scary experience?  
• What are some dangerous or alarming situations you face in our world today?  
• Sometimes it seems easier to deny the dangers we face and pretend they are not really a problem. How does faith in Jesus give us hope and help us to face scary times?

**DEVOTIONS**  
Read: Mark 13:24-37  
Advent begins with an awareness of the frailty of life. We may come up with short-term fixes like finding shelter, warmth, and food. There is always the challenge of the unforeseen storm that can flood our lives with devastation, when the whole world seems to be falling down around us (vv. 24-25). No generation escapes these trials and sufferings (vv. 29-30). It happened to the people who returned from Babylonian captivity (Isaiah 64); it happened to the first Christians as noted by Mark in chapter 13, and, it happens all around the world today. What we need is the God who promises to show up and be the difference-maker. This Advent we are reminded to be alert to this God who shows up in Jesus of Nazareth. In Jesus we have hope because we have the one in whom the truth of His words will never pass away, never end, never fail (v. 31). So live life with gusto, with courage, with hope, and stay awake, keep alert, don't give up (vv. 33, 35, and 37). How does public worship, reading the Bible and prayer help you stay awake to Jesus' coming into our lives?  
Pray: Almighty and living God, give us hope and confidence to await your coming into our lives with faith in your healing and renewing power through Christ our Lord. Amen.

**SERVICE**  
Advent is a time to recall the basic needs of life: a loving and gracious God and justice and mercy that all may have enough to live. In what ways can you "stay awake" this Advent season by caring for the needs of others and providing needed resources for the homeless?

**RITUALS AND TRADITIONS**  
The church year begins on the first Sunday in Advent. This coming year, the Gospel readings will be from Mark. To launch the new church year, gather together all the Bibles in your home. If you have an Advent wreath, place the Bibles near the wreath. As you light the first candle, the candle of hope, use this prayer of blessing Almighty God, we thank you for the Bible, and especially for the good news about Jesus our Savior. Give us hope as we read, listen to, and think about what the Bible says to us in this new church year. Make us into people who are strong in our faith and full of love. Amen.
